

## ASSET DONATION AGREEMENT

In support of Solio Game Reserve security department, WWF-Kenya has donated the below-listed equipment and accessories under the Giving Rangers Technology, Tools and Training to Counter Wildlife Trafficking in Kenya (GRTTT-K Project). The equipment and accessories will be used to set up the Solio HQ Control Room in order to receive live feeds from the FLIR thermal cameras that were installed along the fence line.

The donation takes effect as of the date when both parties have signed this Agreement. WWF-Kenya will be under no further obligation for asset related costs nor be held responsible for the condition of the Assets from the effective date of this Agreement.

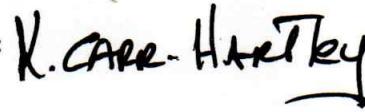

To acknowledge acceptance of the terms of this Agreement, please sign in the space indicated below.

## Asset Donation Guidelines

### 1. Introduction

This Asset Donation Guideline outlines the terms and conditions governing the donation of assets from the donor to the recipient for the sole purpose of executing a funded project. The recipient will act as the custodian of the assets, ensuring their appropriate registration, insurance and use throughout the project duration. In the event of project failure, the donor reserves the right to repossess the assets and transfer them to a capable recipient.

### 2. Definitions

- **Donor:** The entity or individual providing the assets for the funded project.
- **Recipient:** The organization or individual receiving the assets and responsible for executing the funded project.
- **Assets:** equipment, supplies, real property, motor vehicles, motorcycles and intangible property financed by the donor, and whose unit value exceeds Kes 50,000 or more and/or has a useful life of more than one year.
- **Project:** The specific initiative or program for which the assets are donated.

### 3. Asset Donation and Custody

- 3.1. The donor agrees to donate the specified assets to the recipient for the sole purpose of executing the funded project.
- 3.2. The recipient accepts the assets and agrees to act as the custodian, maintaining, insuring and using the assets exclusively for the project's purposes.
- 3.3. The recipient shall exercise due care in handling and maintaining the assets to ensure their continued functionality and good condition.
- 3.4. The donor shall, upon successful completion of the project, communicate in writing to the Recipient, approving their acceptance for the Recipient to use or dispose the assets as they deem fit.

### 4. Asset Use and Restrictions

- 4.1. The assets shall only be used for activities directly related to the funded project, as specified in the grant agreement.
- 4.2. The recipient shall not use, transfer, sell, or dispose of the assets for any other purposes without prior written approval from the donor.
- 4.3. Any proposed use of the assets beyond the scope of the project must be submitted to the donor for consideration and approval.
- 4.4. The utilization of the WWF-Kenya logo, trademark, or any branding elements on assets shall not proceed without prior authorization.

### 5. Disposition of Assets

- 5.1. The recipient may seek approval from the donor to dispose of the assets at the end of the project.
- 5.3. The donor reserves the right to grant or deny approval for asset disposition.

### 6. Repossession in the Event of Project Failure

- 6.1. If the recipient fails to deliver the project or breaches the terms of this agreement, the donor retains the right to repossess the assets.
- 6.2. The donor may, at its discretion, identify another capable recipient to continue or complete the project.

### 7. Reporting and Monitoring

- 7.1. The recipient agrees to provide periodic reports to the donor on the status of the assets and their usage throughout the project.
- 7.2. The donor may conduct periodic inspections to verify the condition and usage of the assets.

### 8. Governing Law

- 8.1. This agreement shall be governed by and construed in accordance with the laws of Kenya.
